

ORDINANCE NO.775

**AN ORDINANCE AMENDING THE MASTER FEE SCHEDULE FOR THE CITY OF BOX ELDER,
PENNINGTON & MEADE COUNTIES, SOUTH DAKOTA**

WHEREAS, the Municipal Code of the City of Box Elder provides that certain filing fees, permit fees, inspection fees, deposits, and conditions of service may from time to time be established by the City Council; and

WHEREAS, the City Council of the City of Box Elder has determined that the cost of providing certain services is not of general benefit but of benefit to the individual and, therefore, certain filing fees, permit fees, inspection fees and deposits should be required to pay for materials and special services performed by the City staff; and

WHEREAS, the City Council has found that since the fees represent a portion of the actual costs of the service or facilities provided, there is a reasonable relationship between the amount of the fee charged and the costs of the services provided to the person paying the fee; and

WHEREAS, the City Council may adjust fees for certain services from time to time and incorporate all adjusted and/or new fees for services provided into one comprehensive master fee schedule; and

WHEREAS, individuals should be aware that they are subject to other fees and charges for services established periodically by Administrative Policy of the Administrator or by Ordinance; and

WHEREAS, after complying with public meeting and agenda posting requirements; the City Council has adopted various ordinances and resolutions establishing fees at various meetings; and

WHEREAS, this ordinance supersedes and replaces all previous ordinances and resolutions hereto relating to the subject matter hereof.

NOW, THEREFORE, BE IT ORDAINED by the governing body of the City of Box Elder, that any fees previously created by ordinance or resolution where a fee is already established by the Master Fee Schedule, shall be considered obsolete and the fees hereby set forth by the amended Master Fee Schedule shall be in full force and effect.
